Dear Laura,

On behalf of Dow Europe GmbH in Hungary I would like express my sincere appreciation to you and your colleagues for organizing two successful chocolate on-line events held on Dec 10th, 2020 and on Jan 13th, 2021 for more than 100 Dow employees from various countries and regions.

Our colleagues greatly appreciated your professional approach, detailed agenda, clear explanation, interactive engagement and most importantly fine and delicious hand-made chocolates.

Despite technical issues and short deadlines your team managed to set up high quality live broadcast for two events. Moreover, you produced quickly the requested quantity of chocolates during preparation to Christmas – which is a high season for you being a chocolate manufacturer. And, I appreciate you could meet these challenges successfully.

These two events were targeted to motivate our employees, energize, entertain, distract from the ongoing routine and recognize them for their daily job. And I'm happy that these assigned goals were achieved thanks to your creativity, professional and personal skills.

I look forward to the time, hopefully soon, when we will be able to arrange offline events at your manufacture!

Sincerely yours,
